

Vision

Upright display cabinet with static refrigeration (RS) with partial double glazing and insulated door. Monolithic structure with 60 mm thick ecological polyurethane insulation (HCFC and HFC free) with CO₂. Interior and exterior in white plastic sheet metal. Door aluminum frame painted grey color and self-closing facility with seal return hinges. Large door handle for easy grip. Fluorescent lighting positioned vertically. Carbon powder-coated steel frame with rollers for easy handling and two adjustable feet to stabilize the cabinet. Control panel with electronic control. Automatic self-evaporating condensate drip tray. Hermetic condensing unit. Adjustable side shelf supports. Illuminated back-lit panel above the door.

ENERGY SAVING
LED + EC Fan motor
